

# Declaration of performance

issue no: 300517-1

## Description:

System components for mounting system for PV modules made from high grade aluminum, steel, stainless steel and polypropylene (PP) matrix composite.

Manufacturer:  
Esdec BV  
Paderbornstraat 4  
7429AC Deventer  
The Netherlands

Article number: 100-7010 Brand: FlatFix Fusion Description: Base plate Material: Glass filled PP Material norm: NPD, ROHS Weight: 0,077kg	Article number: 100-7194 Brand: FlatFix Fusion Description: Base profile 940mm Material: Extruded aluminum, ENAW6060T6 Material norm: EN 1090-2, EN 1090-3, EN 15088 Weight: 0,541kg
Article number: 100-7020 Brand: FlatFix Fusion Description: Low base Material: Glass filled PP Material norm: NPD, ROHS Weight: 0,201kg	Article number: 100-7155 Brand: FlatFix Fusion Description: Base profile 550mm Material: Extruded aluminum, ENAW6060T6 Material norm: EN 1090-2, EN 1090-3, EN 15088 Weight: 0,321kg
Article number: 100-7030 Brand: FlatFix Fusion Description: High base Material: Glass filled PP Material norm: NPD, ROHS Weight: 0,525kg	Article number: 100-7501 Brand: FlatFix Fusion Description: Grounding ring Material: Stainless steel, A2 Production norm: NPD Weight: 0,001kg
Article number: 100-7040 Brand: FlatFix Fusion Description: Cable clip Material: Glass filled PP Material norm: NPD, ROHS Weight: 0,012kg	Article number: 100-7502 Brand: FlatFix Fusion Description: Grounding spring Material: Stainless steel, A2 Production norm: NPD Weight: 0,001kg
Article number: 100-7050 Brand: FlatFix Fusion Description: Wind deflector rear 1600 Material: Cold formed steel, S250GD (MAGNELIS coated) Material norm: EN 10143, EN 10346, EN 1090-2, EN 1090-3 Weight: 3,46kg	Article number: 100-6519 Brand: FlatFix Fusion Description: Mounting screw 6,5 x 19 Material: Stainless steel, A2 Production norm: NPD Weight: 0,009kg
Article number: 100-7055 Brand: FlatFix Fusion Description: Wind deflector left Material: Cold formed steel, S250GD (MAGNELIS coated, ZM310) Material norm: EN 10143, EN 10346, EN 1090-2, EN 1090-3 Weight: 1,012kg	Article number: 100-6570 Brand: FlatFix Fusion Description: Mounting screw 6,5 x 70 Material: Stainless steel, A2 Production norm: NPD Weight: 0,015kg
Article number: 100-7056 Brand: FlatFix Fusion Description: Wind deflector right Material: Cold formed steel, S250GD (MAGNELIS coated, ZM310) Material norm: EN 10143, EN 10346, EN 1090-2, EN 1090-3 Weight: 1,012kg	Article number: 100-4140 Brand: FlatFix Fusion Description: End clamp 40mm Material: Extruded aluminum, ENAW6060T6 Material norm: EN 1090-2, EN 1090-3, EN 15088 Weight: 0,030kg
Article number: 100-7060 Brand: FlatFix Fusion Description: Ballast container 1600 Material: Cold formed steel, S250GD (MAGNELIS coated, ZM310) Material norm: EN 10143, EN 10346, EN 1090-2, EN 1090-3 Weight: 2,973kg	Article number: 100-3020 Brand: FlatFix Fusion Description: Module clamp Material: Surface densified, die casted, ALMG3CU Material norm: EN 1090-2, EN 1090-3, EN 15088 Weight: 0,012kg

The performance of the products identified above is in conformity with the declared performance mentioned above. The declaration of performance is issued under the sole responsibility of the manufacturer Esdec BV.
